

KIPP Austin Webinars

What is a webinar? A webinar is a phone call and web-based presentation all in one. You will receive a conference number to dial into from your phone, as well as a web-based link so that you can view a presentation while listening. At the end of the presentation, you will have an opportunity ask questions. This is a great way to learn more about KIPP Austin and opportunities to join our team.

To RSVP for a KIPP Austin webinar, please email recruitment@kippaustin.org and note the specific webinar. We will follow up with a number and link the week of the webinar.
